

Marketing Intern

Do you like to engage with people every day? Are you passionate about marketing? Can you jump in with both feet into the digital world of Weddings, Events and Fashion? Are you wanting to dive into one of the biggest wedding platforms in the world? Then this internship is for you!

As an intern within our Marketing team, you'll be empowered to experiment with a variety of approaches to digital and social media, and content creation. You'll collaborate with other fun and passionate team members from design, development, marketing, sales and data teams to ensure that the messages & creatives we push out are consistent and add value in the customer experience. You will gain the experience needed in the industry to be agile, hardworking, creative and work autonomously!

Wedded Wonderland internships are for a 3-month period with opportunity for part-time or full-time employment afterwards.
